Robby Horton, Interim City Manager

912-510-4041

City Hall Payment Center

ST. MARYS, GA (February 6, 2020) –

Effective Monday, February 10 at 8am, the City of St. Marys is relocating our Payment & Customer Service Center to 418 Osborne Street in the City Hall building.

Due to unexpected repairs at the current temporary Customer Service location at 406 Osborne Street, the City will be accepting payments and providing our other customer services at the City Hall location.

In light of the sidewalk construction in front of City Hall we ask that you use the back entrances at City Hall for all your customer service needs.

If you have any questions, please contact the City Manager's office at 912-510-4041.
